

More Than Health Care:

Part III - Combatting Discrimination Based on HIV or Opioid Use Disorder

**January 13th, 2021
12:00 - 1:30PM**

Join us for the third part in NEAETC's series focusing on the intersection of treating substance use, HIV, and hepatitis C. In this webinar, speakers will outline the civil rights of people with HIV, HCV, and Substance Use Disorder. The right to health care, protections under the Americans with Disabilities Act, legal rights of people with Substance Use Disorder, relevant laws and regulations in Massachusetts, and language to advocate for client rights will be presented.

Gregory J. Dorchak

Assistant U.S. Attorney, Civil Rights Unit
United States Attorney's Office
District of Massachusetts

David Knight

Trial Attorney and USAO ADA Program Coordinator
Disability Rights Section, Civil Rights Division
U.S. Department of Justice

Accreditation Statement: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Massachusetts Medical School Office of Continuing Medical Education and New England AIDS Education and Training Center. The UMMS-OCME is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement: The University of Massachusetts Medical School designates this live activity for a maximum of **1.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nurses: Under the auspices of the New England AIDS Education & Training Center, this offering meets the requirements for a maximum of 1.8 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in the educational activity.

Policy on Faculty and Provider Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

Funding: This program is supported by the Health Resources and Services Administration of the U.S. Department of Health and Human Services under grant number U1OHA29294 (AIDS Education and Training Centers) awarded to the University of Massachusetts Medical School. This information of content and conclusions are those of the authors and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government. This program is also supported by funding from the Massachusetts Department of Public Health.
