

****HIV/AIDS Seminar Series****

Date: 11.14.2022

Time: 12:30-1:30 pm

Virtual

Title of Presentation:

Cardiovascular Disease in HIV: Physiologic Insights Derived from the Renin-Angiotensin-Aldosterone System

Presented By:

Suman Srinivasa, MD, MS

she/her/hers

Assistant Professor of Medicine

Co-Director, MIRACLEs (Metabolic Investigations

Researching Adipose and Cardiovascular health)

Massachusetts General Hospital/Harvard Medical School

Neuroendocrine and Pituitary Tumor Clinical Center

Metabolism Unit

Acknowledgement

This presentation was supported by Award # U1O29294 from the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling as part of an award totaling \$2,475,312 with 0% financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov. Any trade/brand names for products mentioned during this presentation are for training and identification purposes only.

NEAETC Online HIV Resource Library

- NEAETC's [HIV Resource Library](#) is a compilation of curated information resources and education packets on HIV, viral hepatitis, and related public health topics.

Your feedback is important!

After this training, you will receive an email from NEAETC. Please click on the link in the email and complete your evaluation.

You can also go to

https://www.neaetc.org/forms_submissions/usa

to complete your evaluation.

You may receive an email in 3 months with a follow-up survey of how you have used the information presented today.

NEAETC must submit evaluation data to our funder (Ryan White HIV/AIDS Program, HRSA HAB) to continue providing free trainings. Your feedback also helps guide further programming.

Thank you!

National AETCs: NCRC

National Coordinating Resource Center

François-Xavier Bagnoud Center, Rutgers School of Nursing

- Centralizes free training and clinical materials through a virtual library: aidsetc.org
- Maintains the AETC Program Directory
- Fosters collaboration and group facilitation among AETCs and with external partners
- Provides AETC Program promotional, marketing and communications services
- Coordinates the annual Ryan White HIV/AIDS Program Clinical Conference

<https://aidsetc.org>

National AETCs: NCCC

National Clinician Consultation Center

University of California at San Francisco: nccc.ucsf.edu

Free expert clinician consultation to healthcare providers through phone and e-consultation:

- **HIV Management Warmline:** individualized expert multidisciplinary consultation on HIV care and management
- **Substance Use Warmline:** point-of-care education and clinical decision support for health care providers with questions regarding substance use evaluation and management
- **PEPline:** real time management of post-exposure prophylaxis to HIV, hepatitis and other bloodborne pathogens
- **Perinatal HIV Hotline:** consultation for HIV testing and care during pregnancy, labor and delivery, and the postpartum period
- **PrEPline:** for questions about pre-exposure prophylaxis as a prevention tool
- **Hepatitis C Management:** for advice on hepatitis C mono-infection management from testing to initiating treatment to managing advanced disease
- **e-CCS Online Consultation:** register at nccc.ucsf.edu to submit questions about HIV management and case-tracking online

<https://nccc.ucsf.edu>

National HIV Curriculum

www.hiv.uw.edu

FREE CME, MOC, CNE, Pharmacology CE, and CE

Free, up-to-date website for novice to expert clinicians to learn about HIV diagnosis, treatment, and prevention

National HIV Curriculum

The National HIV Curriculum is an AIDS Education and Training Center Program and led by the University of Washington.

[Contributors](#) [Site Overview](#)

Funded by
Health Resources and Services Administration (HRSA)

Recertified for CE in fall 2020, six modules with 37 lessons and corresponding question bank topics address:

- Screening and Diagnosis
- Basic HIV Primary Care
- Antiretroviral Therapy
- Co-Occurring Conditions
- Prevention of HIV
- Key Populations

The National HIV Curriculum is an AIDS Education and Training Center (AETC) Program supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services as part of an award totaling \$1,000,000 with 0% financed with non-governmental sources.
